WEB-ARTS SHEET MUSIC

Since 1989, WEB-ARTS (formerly MUSICARDS Melbourne) has arranged, produced and supplied flute ensemble music to schools and flute teachers in Australia and overseas.

Our music was designed to allow students of all levels to play together. This idea was developed by Denise Brookes – the flute teacher who taught students from Melbourne’s Xavier College and MLC. This design allowed the students to play together.

WEB-ARTS specialises in sheet music for flute groups of various sizes plus greeting cards and teaching method books.

Our sheet music catalogue has over 100 titles – many of which are familiar with students and teachers.

All the titles are numbered for quick recall, include their grading from 1 to 5 (1 is Easy Beginner, 5 is extremely Difficult) and are for personal use and must not be copied.

Currently, delivery of titles to the customer is direct from our computer to their computer. Shortly, we will offer the customer the option to order printed titles delivered by mail.

Enclosed are sample titles from our sheet music catalog.

Short titles are priced at \$9.99. Long titles are priced at \$14.99. These prices will remain until the end of 2022.

New prices will be released at the start of 2023.

We plan to print several sample titles per week until the end of 2022 with all titles available indefinitely.
